

Statement of Endorsement—Diabetes Care for Emerging Adults

In October 2011, the American Academy of Pediatrics endorsed the following publication: Peters A, Laffel L; The American Diabetes Association, Transitions Working Group. Diabetes care for emerging adults: recommendations for transition from pediatric to adult diabetes care systems. *Diabetes Care*. 2011;34(112):2477–2485. Available at: <http://care.diabetesjournals.org/content/34/11/2477.full.pdf+html>.

All statements of endorsement from the American Academy of Pediatrics automatically expire 5 years after publication unless reaffirmed, revised, or retired at or before that time.

This document is copyrighted and is property of the American Academy of Pediatrics and its Board of Directors. All authors have filed conflict of interest statements with the American Academy of Pediatrics. Any conflicts have been resolved through a process approved by the Board of Directors. The American Academy of Pediatrics has neither solicited nor accepted any commercial involvement in the development of the content of this publication.
