CORRECTION
In the article “Chronic Salicylate Administration in Juvenile Rheumatoid Arthritis: Aspirin ‘Hepatitis’ and Its Clinical Significance” by Schaller (Pediatrics 62:916, November 1978 suppl), there were two errors in Table IV on page 920. The report of Russell et al. was published in 1971, not 1961, and Rich and Johnson’s report was published in 1973, not 1963.
