Directory of Overseas Service Opportunities for Pediatricians

The following directory contains more than 80 organizations that recruit US pediatricians for both long- and short-term service opportunities overseas. This list was compiled by the staff of the Task Force on International Child Health of the American Academy of Pediatrics. Facts concerning each program were obtained through correspondence and telephone interviews with organization representatives. We have tried to make the list as complete and current as possible.

Anyone knowing of a service organization that has been omitted is encouraged to supply the necessary information to:
