DisabilityInfo.gov: the comprehensive federal web site of disability-related government resources. <http://www.disabilityinfo.gov/>

Healthy People 2010—Achieving and Measuring Success: Six Critical Indicators of Progress and The National Centers Charged with Helping the Nation Achieve These Goals

1. All CSHCN will receive regular ongoing comprehensive care within a medical home. The National Center of Medical Home Initiatives for CSHCN: <http://www.medicalhomeinfo.org>

2. All families of CSHCN will have adequate public and/or private insurance to pay for the services that they need. The National Center on Financing for CSHCN: <http://cshcnfinance.ichp.edu/>; The Maternal and Child Health Policy Research Center: <http://mchpolicy.org>
3. All children will be screened early and continuously for special health care needs. National Center for Hearing Assessment and Management: <http://www.infantheating.org>; The National Newborn Screening and Genetics Resource Center: <http://genes-r-us.uthscsa.edu/>
4. Families of CSHCN will participate in decision making at all levels and will be satisfied with the services that they receive. Family Voices: <http://www.familyvoices.org>; National Center for Cultural Competence: <http://www.georgetown.edu/research/gucdc/nccc/>
5. Community-based service systems will be organized so that families can use them easily. Champions for Progress Center: <http://championsforprogress.org>
6. All youths with special health care needs will receive the services necessary to make transitions to all aspects of adult life. Healthy and Ready to Work National Center: <http://www.hrtw.org>
