An error appeared in the article by Davies et al., titled “The Efficacy of Noncontact Oxygen Delivery Methods” that was published in the November 2002 issue of *Pediatrics* (2002;10:964–967). On page 965, in paragraph 1 of the “Results” section, lines 4–5, the authors wrote: “The infant resuscitator bag delivered 30% oxygen to an area . . .” It should read as follows: “The pediatric face mask delivered 30% oxygen to an area . . .”
