American Academy of Pediatrics, J Stirling, Jr and the Committee on Child Abuse and Neglect and Section on Adoption and Foster Care American Academy of Child and Adolescent Psychiatry, L Amaya-Jackson, National Center for Child Traumatic Stress, Understanding the Behavioral and Emotional Consequences of Child Abuse. PEDIATRICS 2008;122(3):667–673

Two errors occurred in the American Academy of Pediatrics clinical report “Understanding the Behavioral and Emotional Consequences of Child Abuse” (doi:10.1542/peds.2008-1885). Lisa Nalven, MD, MA, was inadvertently omitted from the roster of the Section on Adoption and Foster Care Executive Committee, and the name of David A. Harmon, MD, was misspelled. We regret the errors.

SL Cutrona, S Woolhandler, KE Lasser, DH Bor, DU Himmelstein, WH Shrank, NS LeLeiko. Free Drug Samples in the United States: Characteristics of Pediatric Recipients and Safety Concerns. PEDIATRICS 2008;122(4):736–742

Errors occurred in the article by Cutrona et al, titled “Free Drug Samples in the United States: Characteristics of Pediatric Recipients and Safety Concerns” published in the October 2008 issue of *Pediatrics* (doi:10.1542/peds.2007-2928). On page 736 in the Abstract under the heading ‘Results’ in paragraph 1, on lines 9–10, the authors wrote: “The 15 most frequently distributed pediatric free samples in 2004 included 2 schedule II controlled medications, Strattera (atomoxetine) and Adderall (amphetamine/dextroamphetamine), . . .” This should have read “The 15 most frequently distributed pediatric free samples in 2004 included 1 schedule II controlled medication, Adderall (amphetamine/dextroamphetamine), . . .”

On page 741 in the Results section under the heading ‘Safety Concerns’ in paragraph 1, on lines 9–11, the authors wrote: “In addition, 2 of the top 15 sample medications were schedule II controlled substances.” This should have read “In addition, 1 of the top 15 sample medications was a schedule II controlled substance.” Also on page 741 in the Discussion section, paragraph 6, lines 1–3, the authors wrote: “Our finding that 2 of the top 15 sample medications were schedule II controlled substances raises other safety concerns.” This should have read “Our finding that 1 of the top 15 sample medications was a schedule II controlled substance raises other safety concerns.”

doi:10.1542/peds.2008-3307

Committee on Infectious Diseases. Prevention of Influenza: Recommendations for Influenza Immunization of Children, 2008–2009. PEDIATRICS 2008;122(5):1135–1141

Several errors occurred in the AAP clinical report “Prevention of Rickets and Vitamin D Deficiency in Infants, Children, and Adolescents” (doi:10.1542/peds.2008-2449). In Table 2, the last row of the left column should read: Multivitamin preparations: polyvitamins (A, D, and C vitamin preparations)^c. In addition, Arthur J. Eidelman, MD, Policy Committee Chairperson, should have been included on the roster for the Section on Breastfeeding Executive Committee. We regret the errors.
