

Singh GK, Siahpush M, Kogan MD. Disparities in Children's Exposure to Environmental Tobacco Smoke in the United States, 2007. *Pediatrics*. 2010;126(1):4–13

An error occurred in this article by Singh et al (doi: 10.1542/peds.2009-2744). On page 8, Figure 1 includes incorrect maps on childhood exposure to secondhand smoke and home smoking ban. The corrected Figure 1 is as follows:

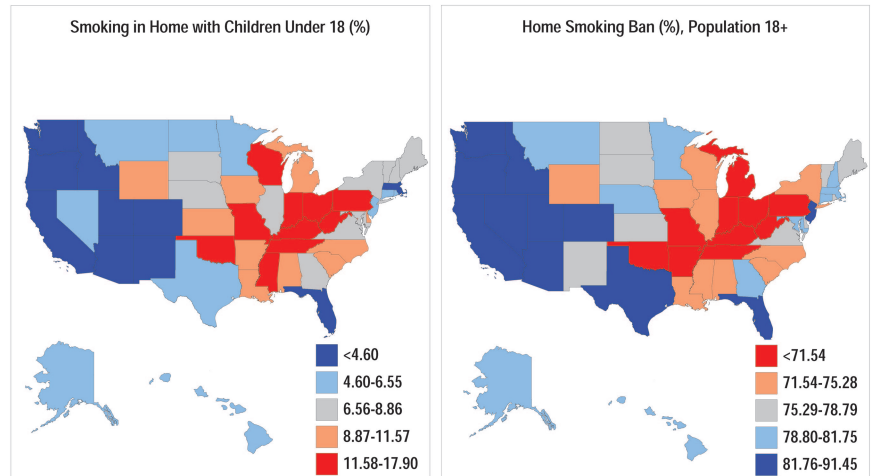

FIGURE 1 (CORRECTED).

Prevalence of smoking in the home with children who were younger than 18 years of age in 2007 and home smoking ban, population aged ≥ 18 years in 2006–2007 (correlation coefficient = -0.91)

Reece RM. Highlighting Violent and Repetitive Shaking. *Pediatrics*. 2010;126(3): 572–573

An error occurred in this commentary by Reece (doi: 10.1542/peds.2010-1629). The author did not identify any conflict of interest, however it should be noted that Dr Reece has received compensation as an expert witness in cases related to child abuse and shaken-baby syndrome.
