
NOTIFICATION OF RETRACTION AND REPLACEMENT

Pulcini CD, Zima BT, Kelleher KJ, Houtrow AJ. Poverty and Trends in 3 Common Chronic Disorders. *Pediatrics*. 2017;139(3):e20162539

The original report entitled "Poverty and Trends in 3 Common Chronic Disorders" published first online on February 13, 2017 and in the March 2017 issue of *Pediatrics* was found by the authors to have errors in the original analysis. Specific variables were miscoded. These errors were largely due to changes in the survey over time that served as the basis for this study. The authors have requested that the original report be retracted and replaced with the corrected version. Note that the corrected version has undergone additional peer review.
