## ERRATUM

### **Correction for GUPTA 2020-1330**

Errors occurred in the article by Gupta RS et al, titled “Sensor-Based Electronic Monitoring for Asthma: A Randomized Controlled Trial” published in the January 2021 issue of *Pediatrics* (2021;147[1]:e20201330; doi:10.1542/peds.2020-1330).

On page 1, in the Methods section of the Abstract, the text reads “( $\geq 19$  indicated asthma control).” This should have read “( $> 19$  indicated asthma control).”

On page 3, under End Points, the fifth sentence reads “Scoring  $< 19$  on the c-ACT or ACT scale indicated uncontrolled asthma.” This should have read: “Scoring  $\leq 19$  on the c-ACT or ACT scale indicated uncontrolled asthma.”

The online article has been corrected.
