CORRECTION

In the article entitled "Edathamil Calcium Disodium (Versenate) Diagnostic Test for Lead Poisoning," by Doctors Whitaker, Austin, and Nelson, in *PEDIATRICS*, **29**:384, March, 1962, a decimal point has been omitted. On page 385, the first line of the text should be corrected to read "procaine to make 1.5% procaine solution."
